# NCC URC MANGALORE, UDUPI AND SHIMOGA ONLINE TOKEN SYSTEM

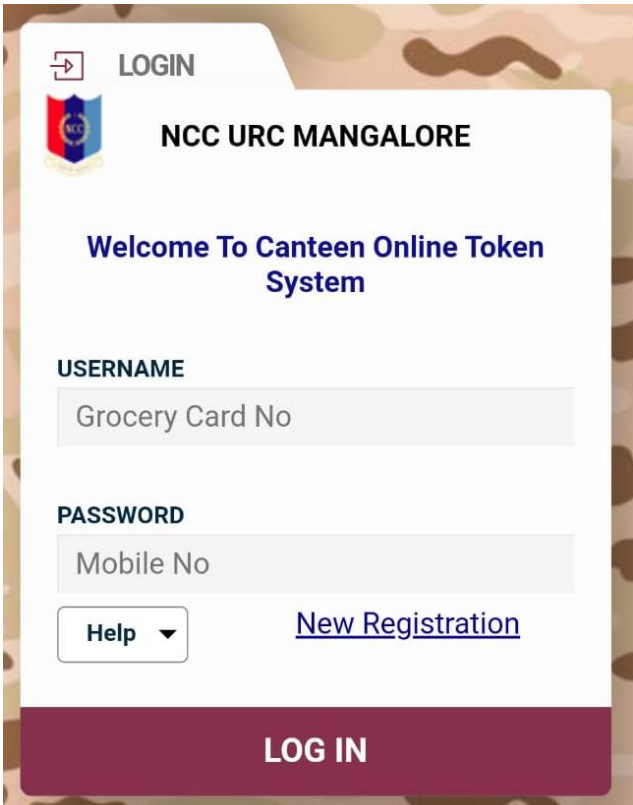

1. Due to the COVID 19 situation, there is a need to keep social distancing and avoid crowding in the CSD canteens. Hence, we have developed an online token system for NCC Unit Run Canteens at Mangalore, Udupi and Shimoga to enable planned and safer shopping experience for ESM. Dependent users of these canteens can book the grocery cum liquor and Liquor only Tokens online through this system.

## Advantages of the System.

2. Canteen Tokens can be booked online from home in advance, and you will get a token number and the time slot for shopping.
3. Convenient dates can be selected and your visit can be well planned.
4. Convenient time slots can be selected.
5. ESM need to come just ten minutes before the start timing of the slot booked by him.
6. If an ESM did not get the normal token, and he urgently needs liquor, certain number of separate **liquor only** tokens are also made available. They can do regular shopping again after booking the regular token.
7. Facility to cancel booked tokens once in a month, and rebook once, in case of unforeseen emergencies.
